Salisbury Squibblings.

The arrival of a sweet little girl at the home of L. Isaacs has made him and his wife more than happy.

Work on the P.-S. building is being pushed rapidly and we hope to be in our winter quarters ere old boreas sends his first icy breath across the Prairie Queen.

Hugh Wilhite and Miss Meda Thomas will be married this week. They are trying to keep it a secret, and so are we, but none of us seem to be making a success of it.

Rev. Garrett Allen of Iowa and Rev. R. J. Mansfield of Indian Territory are visiting here. These are two bright Salisbury boys, who entered the ministry and made a success of it.

The talk of passing a milk peddling ordinance has set our whole town on edge. Those who sell milk are "agin" it and those who buy are "agin" it also. The Cuban war excitement is nothing compared to it.

Rev. R. M. Mansfield is gradually sinking and his death may be expected at any time. He is a good man and has lived a correct life, and, being ripe in years, is ready to pass over the river at any time his Savior calls him.

The North Missouri academy opened, Tuesday morning, with a good enrollment and has since been running along smoothly. Owing to the illness of his father, Prof. Lockhart was not present at the opening, and may not be able to come at all.

John Schneider, our popular delivery man, a resident of Salisbury for over 26 years, celebrated his sixtieth birthday, Wednesday. He is as active as a man of 40 and does not know what it is to be sick. Everybody knows John and in spite of his age call him John, not out of disrespect but because of esteem and friendship. He makes a model citizen and is so clever and accommodating in his business that he has become a general favorite among the ladies, which leads us to remark that some lady might do well to set her cap for him.

Mike Murmurings.

May, how is your doll?

John T. Mayhugh and little daughter, Lockie of Mendon, visited his son J. W. Mayhugh, Thursday last.

A jolly crowd of young folks went out serenading, Thursday night. They say they were treated royally, especially when they struck that watermelon patch and flash light.

The ice-cream supper, Friday night, which took place at the pleasant home of Will Graves, was well attended and enjoyed by all. Some of our patriotic boys that did not go to Cuba entertained the crowd by singing "My Country, 'Tis of Thee."

Last Friday while Mrs. Florence Northcott was out in her yard she had the misfortune to tread upon a plank with an upright nail in it which nearly penetrated the ball of her left foot and crippled her painfully. It is only now she is walking with ease.

Last Saturday the ladies of the Christian church gave another of their delightful entertainments. On this occasion they secured the use of the new Duroche building. They got ready for business at noon, and they were well partitioned in both the afternoon and evening. We found a crowded room in the evening, and all enjoyed themselves. A bride and bridegroom were present who were the center of attraction. The writer was well taken care of.

Glad to welcome the refreshing showers and the pleasant change in the weather.

Mrs. Lusher, the unfortunate lady who tried to take her life by the revolver route last week, is yet alive but her recovery is very doubtful.

Intense Suffering

Caused by a Scrofula Sore which Appeared under the Chin—How a Complete Cure was Effectuated.

"When I was 16 years old I was bothered with scrofula. I was treated by physicians and took different kinds of medicine, but nothing would cleanse my blood and I almost despaired of a cure. A bunch appeared under my chin, as large as a hen's egg. It broke and caused intense suffering. I began taking Hood's Sarsaparilla. In a short time I saw it was doing me good. I took seven bottles and now I am a sound man, and very thankful for the cure effected by Hood's Sarsaparilla." J. M. HOWARD, Woodland, Missouri.

"My little boy was weak and fretful and the least exposure would cause fever and make him very nervous. We gave him Hood's Sarsaparilla and he was soon improving very fast." Mrs. DAVID CAGLE, Pierce City, Missouri.

Hood's Pills

We were informed by the building committee for the new C. P. church one-half mile east of Pee Dee that it was now ready for the plaster and had let the contract for the painting to Ben Bell.

A. J. Cavanah informed us that he had let the contract to E. W. Johnson to rebuild his large stock barn, which was destroyed by lightning last spring. Mr. Johnson built the one that was burned.

Robert Tippet, accompanied by his winsome daughter, visited at Wm. Hensley's last Sunday, and Mrs. Hensley and her mother, Mrs. Wilson of Keytesville, went home with them to spend a few days.

The following are reported on the sick list for the week: Thos. Gribble and wife have the chills; Max Kurth and wife have been troubled with their first case of hay fever; Joe Griffin and family are sick with chills and fever; Mrs. Ben Franklin and her daughter, Mrs. Ed. Our town board made a raid on one of the gambling dens and caught several parties shooting craps, but as all the boys pledged their word of honor not to do so again, no arrests were made. Two cents was all there was in sight when the raid was made.

In last week's "Mendon Mention" we noticed a couple of mistakes, but will not attempt to place the blame. One was: Mrs. H. Y. Smutz is visiting friends and relatives in Peabody, Kas., and should have read Mrs. H. Y. Shupe. The other was: Miss Addie Shupe was attending the institute at

Salisbury, and should have read Miss Addie Smutz.

A. C. Freed, who has been the manager and buyer for the firm of C. Fink & Co., has severed his business connections here and moved his family and household goods to Breckinridge, where he goes to take charge of a new stock put in there by C. Fink & Co. We are, indeed, sorry to lose Mr. Freed, and can heartily recommend him to the good people of Breckinridge.

Edward Passig of near Wien has filed suit at the coming October term of circuit court for divorce from his wife, Maggie Passig, on the grounds of desertion. The plaintiff and the defendant were married December 25th, 1893.

Plaintiff further states that he faithfully demeaned himself and discharged all his duties as the husband of defendant, treating her with kindness and affection, etc. Two children were born of said marriage, viz: Minnie, aged four years, and William, aged two years, both of whom are now with their mother. Plaintiff enters his prayer for a divorce from the defendant, and for such orders regarding the custody of the children as may seem to the court to be right and proper, and for such orders and decrees as may be just and right in the premises.
